

Recruiting New Members

Potential New Member _____

What role might this person play in the Communities That Care effort?

What is exciting about CTC and how does it fit with this person's role in the community?

What benefits of the CTC process would this person find important and beneficial personally and/or professionally? How could we answer the 'what's in it for me' question?

Who already has a good connection with this person?

Recruiting New Members

What's the best way to contact this person?

What CTC materials should we bring when we meet with this person (the risk factor checklist chart, the Social Development Strategy graphic, a list of current members, dates for next meetings, link to the intro video about CTC, etc)?
