

**Anytime is the Right Time:
Cannabis advertisement
content in freely distributed
magazines in King County, WA**

**Thursday, March 14, 2019
12:00pm – 1:00pm PDT**

In this [webinar](#), Dr. Carlini will present a recently concluded content analysis study that looks into how cannabis products, legal stores and vaping devices are portrayed in print media ads and the implications of these findings for prevention and education

Dr. Beatriz Carlini is a Senior Research Scientist at the University of Washington's Alcohol & Drug Abuse Institute (ADAI) and an Affiliate Associate Professor at the School of Public Health. Her research career has been dedicated to understanding the public health impact of legal psychoactive substances such as alcohol, tobacco, inhalants and more recently, marijuana.

This webinar will be beneficial for the following audiences: Prevention staff, public health educators and advocates, coalition coordinators, community health specialists, parents, middle – high school staff, pediatricians, college students
