

# Positive Community Norms Institute

March 3-5, 2020

Hotel RL, Olympia, WA

Register at [montanainstitute.com/wtsc](http://montanainstitute.com/wtsc)

## Part I – March 3, 2020

- One-day overview of how the Science of the Positive Framework and the Positive Community Norms approach to prevention promote cultural change and transformation.

## Part II – March 4-5, 2020

(Part II participants must attend all three days)

- Deep dive into application of Positive Community Norms to traffic safety issues.
- Presentation of newest norms research relating to young adults and DUI and driving after substance use.
- Discussion of generalizing training instruction to other community issues.

### Facilitators:

Jeff Linkenbach, Ed.D., The Montana Institute

Jason Kilmer, Ph.D., University of Washington

**No charge for the training. Participants responsible for their own travel expenses.**
