

Native American Substance Abuse Prevention Systems Training (NA-SAPST)

June 11-June 14, 2019, 9:00 AM – 5:00 PM daily (last day ends at 3:00 PM)

Location: Spokane Indian Reservation - 6231 Old School Road, Wellpinit, WA.99040

The Division of Behavioral Health and Recovery, Behavioral Health Administration, WA Health Care Authority, has contracted with the Prevention Specialist Certification Board of WA to offer the Substance Abuse Prevention Skills Training (SAPST) to tribal Strategic Prevention Framework (SPF) sub-recipients, prevention providers, and prevention coalition partners in the state.

The training includes **two components**: Registrants are expected to participate in both components.

1. **A self-paced online pre-requisite course** entitled “*Introduction to Substance Abuse Prevention: Understanding the Basics*”.
 - Available Online at <https://psonline.edc.org>
 - Cost: \$89.
 - Additional Information: 2 of the 5 hours will qualify as drug education for CPP certification.

INTRODUCTION TO SUBSTANCE ABUSE PREVENTION: UNDERSTANDING THE BASICS (Online):

This foundational course offers practitioners new to the field of prevention, or working in related fields, an introduction to the history of prevention, key concepts and definitions, specific drug effects, and an exciting glimpse into the effects of substance use and addiction on the brain. Participants will learn about:

- ☐ Basic terminology and facts
- ☐ History of substance use and prevention in the U.S.
- ☐ Addiction and the brain
- ☐ Effects and health risks of alcohol, tobacco, and other drugs

2. **IN-PERSON SAPST TRAINING:** *Registrants must have completed the online course to attend.*
 - **June 11-June 14, 2019, Time: Tuesday-Thursday = 9:00 AM – 5:00 PM; Friday = 9:00 AM – 3:00 PM**
 - **Location: Spokane Indian Reservation - 6231 Old School Road, Wellpinit, WA 99040**

Trainers: This training will be facilitated by **Gerry Rainingbird and Jeri Bruneo**, prevention professionals who have extensive experience in the prevention field

Attendance and Certificate of Completion: Participants are required to attend the full 3 and 3/4 days of the training. Upon completion, each participant will be awarded a certificate. The PSCBW has approved hours for this NA-SAPST to be used toward the application for a Certified Prevention Professional or Associate Prevention Professional credential. Public school personnel may be eligible to obtain school clock hours pertaining to this training through the Office of the Superintendent of Public Instruction or through their Educational Services District (you must inquire directly).
